Dear Kamalakshi,

Thank you so much for your donation of beautiful blankets, hats, and baby items. The colors, and patterns are perfect. They will be donated as part of our holiday donations which are all being delivered now and through November. The large blankets are needed by the local agencies which support families. They specifically have asked for them and you answered their call.

Your donations make a difference in the lives of those in need.

We always have need for warm items. Donations like yours bring comfort to those in shelters, hospitals, nursing homes, and to veterans.

We appreciate your support and look forward to your continued participation in CARE TO KNIT.

Wishing you a wonderful holiday season!

Sincerely,

Ines Basso-Glick

Weaving For Care

Weaving For Care

The Weaving For Care drive is an AFNA Initiative started over six years ago. We request adults and children to make items by knitting, crochet or other handwork to donate to charity. The items collected will be given to orphanages, senior assisted living homes, shelter homes, and hospice.

The drive starts at the beginning of the year and ends by the winter holiday season. All children who participate receive a certificate for their contribution.

We hope you join us to bring warmth and comfort to those in need. Thank you- The Weaving for Care Team

If you wish to participate, please send an email to Kamalakshi at: goodfund@yahoo.com

The drive will end on **November 8th, 2025**. All items made must be given then.

THANK YOU!
